Kisan Yojana Sahayak

AI-Scheme Assistant For Farmers

Sagar Sawlani
Siddhesh Todi

PROBLEM STATEMENT

Rs. 1.27 lakh crore is allocated for farmer welfare annually, yet 67% of farmers remain unaware of the schemes they're eligible for. The current system demands physical CSC visits, multi-day processing, and digital literacy in English — barriers that exclude the very farmers these schemes were designed to help. The money exists. The schemes exist. The access doesn't.

Our AI-Based Solution

AI-Powered Scheme Eligibility Engine

Automatically match farmers to government schemes using a RAG pipeline LLM analysis of official scheme documents — eliminating manual eligibility checks and CSC dependency.

Multilingual Voice-First Interface

Enable farmers to interact entirely through voice — in Hindi, Marathi, Tamil, Telugu,— using Whisper STT and ElevenLabs TTS, removing the need for digital literacy or English proficiency.

Intelligent Document Verification

Verify uploaded Aadhaar cards, land records, and bank passbooks in using a VLM , catching invalid documents before submission replacing manual verification at CSC counters

Automated Scheme Application Filing

Guide farmers through complete forms for schemes via conversational chat, auto-collecting and structuring all fields reducing a 30-minute CSC process to a 5 minute WhatsApp conversation.

Weather-Driven Proactive Recommendations

Analyze 30-day historical weather data from the farmer's GPS location using Open-Meteo and recommend relevant schemes

Omni-Channel Access

Serve every farmer through WhatsApp, IVR phone calls, or web chat

✅ **Eligible Schemes:**

Pradhan Mantri Kisan Samman Nidhi (PM-KISAN)
You own 4 acres of cultivable land in your own name, which is within the size limit for small and marginal farmers, so you qualify for the direct income support.
→ **Key Features:** Provides an annual cash transfer to small and marginal farmer families; no income ceiling; transferred directly to the farmer's bank account.
→ **Documents Required:** Aadhaar card, land ownership proof (sale deed or record), bank account details, passport-size photograph.

Pradhan Mantri Fasal Bima Yojana (PMFBY)
As a rice farmer with drip irrigation on 4 acres, you meet the basic eligibility of any cultivator with an insured crop.
→ **Key Features:** Comprehensive crop insurance covering yield loss, premature death of crop, and post-harvest losses; premium
